

# A7E

## Action Camera

HIKMICRO HIKCam A7E is an outstanding action camera for recording wonderful moments with up to 4K clarity. Its lightweight design redefines portability without compromising performance. Auto recoil-activated recording and 2x to 8x magnification ensure its applicability in multiple scenarios, including clay targets, small games, driven hunt, and paper targets.

### Key Feature

- Up to 4K image quality at various frame rates.
- 138.6 g lightweight
- Auto recoil-activation recording
- 2x to 8x magnification for various scenarios

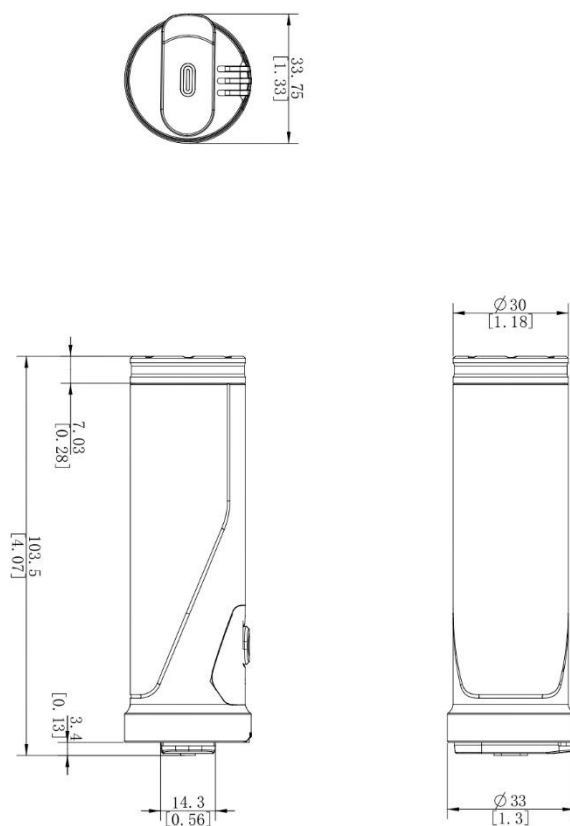

## • Specification
